Objective

With 3 years of experience in frontend development, I aim to leverage my experience and skills to contribute effectively to the development of innovative and user-centric web applications. With a strong foundation in frontend technologies and a passion for continuous learning, I strive to collaborate with cross-functional teams to deliver high-quality solutions that meet both user requirements and business objectives.

Skills

Advanced skill:

React JS, Next JS, Ant Design, Tailwind Css, Material UI, Typescript, Redux.

Soft skills:

- Good communication, active team work.
- Effective time management.
- Good English reading and writing.

Kinh nghiệm làm việc

PARKA SOLUTIONS, Inc | Sep 2022 - Present

FrontEnd Develop - Remote (US)

Lucky is a product company based in the **US**. **Lucky** build the bridge between brands, retailers and their customers. As the Front End Developer, my core activities included:
