OBJECTIVE

With more than 3 years of experience in front-end development, I aim to leverage my experience and skills to contribute effectively to the development of innovative and user-centric web applications. With a strong foundation in frontend technologies and a passion for continuous learning, I strive to collaborate with cross-functional teams to deliver high-quality solutions that meet both user requirements and business objectives.

WORK EXPERIENCE

APPOTA JOIN STOCK COMPANY (WALLACY)

Jun 2024 - Present
